

# NOBA Verbandmittel

Danz GmbH u. Co KG

## NOBAFAST<sup>®</sup>

### Product Description and Purpose

The elastic and well-fitting tubular bandage serves as a protection for the skin underneath rigid and half rigid cast bandages. Due to the elastane which is integrated in the fabric, the bandage has a high elasticity and can therefore be applied wrinkle-free when used to fix wound pads. The different widths have got a colour coding which helps to choose the right bandage size.

### Composition

93 % viscose, 7 % elastane

### Normative and Legal Requirements

NOBAFAST<sup>®</sup> is a medical product in accordance with the MDD, class I, rule 1, and complies with the requirements of the directive 93/42/EEC.

The product does not contain dangerous toxic substances according to REACH. It has CE marking and EN 980 labels on all its packaging.

### Packaging

Primary packaging: folding box made of cellulose

Secondary packaging: carton made of cellulose

### Storage

To be stored in a dry and dust-free environment
