

NOBACARE[®] knee-length

Product Description and Purpose

Due to a special circular knitting method, NOBACARE[®] anti-embolism stockings knee-length have not got any seams. There is an inspection opening at the toes. The white stockings are clearly colour-coded to simplify the identification of the correct size. Disposable measuring tapes and application posters may be obtained free of charge.

Composition

Nylon, spandex

Normative and Legal Requirements

NOBACARE[®] knee-length is a medical product in accordance with the MDD, class I, rule 1, and complies with the requirements of the directive 93/42/EEC.
