

# NOBA Verbandmittel

Danz GmbH u. Co KG

## NOBA<sup>®</sup>-PRETAPE

### Product Description and Purpose

NOBA<sup>®</sup>-Pretape is a white, porous and thin foam bandage. Due to its water repellent properties it is very well suited for the fixation or compression of padding bandages, which are necessary to prepare the application of rigid cast bandages. In addition, it can be used as an underlay under tape bandages to protect the skin. NOBA<sup>®</sup>-Pretape is easy to apply as it doesn't roll up during application.

### Composition

Polyurethane foam

### Normative and Legal Requirements

NOBA<sup>®</sup>-PRETAPE is a medical product in accordance with the MDD, class I, rule 1, and complies with the requirements of the directive 93/42/EEC.

The product does not contain dangerous toxic substances according to REACH. It has CE marking and EN 980 labels on all its packaging.

### Packaging

Primary packaging: folding box made of cellulose

Secondary packaging: carton made of cellulose

### Storage

To be stored in a dry and dust-free environment, protected against direct sunlight
