

NOBA Verbandmittel

Danz GmbH u. Co KG

NOBAPAD[®]-Natur

Product Description and Purpose

Especially soft and stretchable padding bandage which is made of binder-free pure spun rayon. Due to the natural raw material, the bandage is especially suited for patients prone to allergic reactions. The bandage can be used as padding for treatments with plaster, polyester or fibreglass bandages. It is likewise suited for the padding of Cramer splints, Volkmann splints or other unpadded splints, or else as padding underneath compression bandages.

Composition

100 % viscose

Normative and Legal Requirements
