

NOBADRESS[®]-Comfort

without reinforcement

Product Description and Purpose

NOBADRESS[®]-Comfort is a very high quality disposable surgical gown with excellent wearing comfort. The blue surgical gown is individually sterile packed and consists of a spunlace non-woven fabric. Due to its material composition, the gown possesses breathable properties, thus providing very high wearing comfort - in particular if worn during a longer period of time. The surgical gown has got knitted cuffs at its sleeves. Two sterile towels are packed with each gown. NOBADRESS[®]-Comfort prevents the transmission of infective agents.

Composition

Cellulose, polyester

Normative and Legal Requirements

NOBADRESS[®]-Comfort is a medical product in accordance with the MDD, class Is, rule 1, and complies with the requirements of the directive 93/42/EEC and of the **EN 13795**, "Surgical drapes, gowns and clean air suits, used as medical devices for patients, clinical staff and equipment" (requirements of the performance level 'high' and 'standard').

Sterilization of the product complies with DIN EN 11135.

The product does not contain dangerous toxic substances according to REACH. It has CE marking and EN 980 labels on all its packaging.

Packaging
