

NOBADRESS[®]-Perfect

without reinforcement

Product Description and Purpose

NOBADRESS[®]-Perfect is a state-of-the-art disposable surgical gown with excellent wearing properties. The blue surgical gown is individually sterile packed and consists of a low-particle SMMS non-woven fabric. Due to its material composition, the gown has breathable properties and simultaneously protects from fluid and germs. The surgical gown has got knitted cuffs at its sleeves. Two sterile towels are packed with each gown.

Composition

Polypropylene, polyester

Normative and Legal Requirements

NOBADRESS[®]-Perfect is a medical product in accordance with the MDD, class Is, rule 1, and complies with the requirements of the directive 93/42/EEC and of the **EN 13795** "Surgical drapes, gowns and clean air suits, used as medical devices for patients, clinical staff and equipment" (requirements of the performance level 'high' and 'standard').

Sterilization of the product complies with DIN EN 11135.

The product does not contain dangerous toxic substances according to REACH. It has CE marking and EN 980 labels on all its packaging.

Packaging

Primary packaging: paper-film packaging

Secondary packaging: carton made of cellulose

Storage

To be stored in a dry and dust-free environment
