

## NOBATOP<sup>®</sup> 8

### Product Description and Purpose

The non-sterile 4-ply non-woven swab is manufactured binder-free and possesses the absorptive capacity of an 8-ply gauze swab. The material is very soft and therefore gentle to the skin. NOBATOP<sup>®</sup> 8 serves as base material for ointment dressings. Due to its softness, NOBATOP<sup>®</sup> 8 is excellently suited for mouth care. It can be sterilized and then be used as wound cover. Before use on open wounds, the non-woven swab must be sterilized in accordance with a validated sterilization method.

### Composition

Viscose, polyester

### Normative and Legal Requirements

NOBATOP<sup>®</sup> 8 is a medical product in accordance with the MDD, class I, rule 4, and complies with the requirements of the directive 93/42/EEC.

The product does not contain dangerous toxic substances according to REACH. It has CE marking and EN 980 labels on all its packaging.

### Packaging

Primary packaging: paper bag

Secondary packaging: carton made of cellulose

### Storage

To be stored in a dry and dust-free environment
